

Report on behalf of Trimley Memorial Hall Management Committee 07.04.2026

The committee have met 5 times between Jan 25 – Jan 26, including AGM in 2025. We are a committee of 8, all volunteers. We have kept the Hall in good condition, and this year have had:

- Aircon/heating fitted
- A pulse meter to the existing gas meter
- New twinkly lights purchased, mainly for childrens parties
- Hall policies updated
- A picture of Trimley shores painted, in memory of Wilf Youngs, long term committee member
- A well attended Xmas tree light up and carol service

We are looking forward to the completion of the new extension, called the Rosemary Room in memory of our previous village recorder. We will be having an official opening/viewing of the hall on 28th March. We have purchased new tables/blinds/signage/crockery etc. and have spent approx. £1600 so far

We will close the hall for one week in May, due to having the floor stripped and re-sealed. We will possibly be looking at new stage curtains in the autumn

The Hall is still running at full capacity.

H Rodwell

Hall Secretary
