

## **Chairmans Report**

**December 2025**

### **Public Rights of Way**

Waterworks Lane- erosion of this footpath remains evident

As advised by Robin, Bidwells, Track Contractor instructed to inspect/sort a number of areas and do what they can. To date, improvements remain to be made to a number of areas reported.

### **Table Top Sale**

My thanks go to Cllr D'arville leading this event and Cllr Long for poster design and all who helped in any way. During the afternoon I spoke with a number of residents with regard to updating on progress of new hall and they were certainly of the opinion a much needed additional facility in the parish.

I also took the opportunity to promote July Fete with a number of stall holders and speak with local CPO who called in.

### **Memorial Hall Management Committee**

As reported in November 2025 several tables require replacing due to damage and new ones ordered along with new hall requirements once a better idea of how many.

Later Carly sent grant information to Committee secretary, Heather with possibility of gaining some funding for such a purchase. Progress to be made on application. Next meeting 6th January 2026

### **Felixstowe Peninsula Community Partnership**

Following meeting 12th November Action Notes were cascaded to TSM Councillors. Next meeting 6th February with follow up on current projects and additional ones put forward
