

Chairman's Report

October 2025

Felixstowe Peninsula Community Partnership -

Action notes forwarded to PC Councillors. Notes included

Road safety around schools

Beach School sessions (similar philosophy to Forest Schools

Dental health in school age children

Alleviating social isolation for working people, new parents, young people

Next meeting 12th November

Morston Hall Road -

Reported back in the summer - unfortunately vegetation continues to reduce drivers/walkers visibility along this single track road.

Walkers still have to walk in road at a number of stretches comprising safety

A decidedly lack of maintenance along this road

Rubbish (bottles, cans, take away boxes etc) along length of road and continues along High Road.

Public rights of way

Cyclists on footpaths - ongoing issues plus

Increase incidents of a minority of dog walkers not clearing up after their dogs dog poo bags left in hedges etc.

Potential road closure end of October close to Trimley St Martin school -

Planned to take place end of October.

Thanks to Cllr D'arville drawing attention of closure to First Bus as they had not been informed.

Await response to Carly's email responding to initial email with Cllr D'arville and my own concerns especially those needing use of the 73 Bus.
