

Chairmans Report

June 2026

PROW

Reported overgrowth of vegetation and hedging in variety of locations in Parish. This is an annual issue often due to lack/ poor maintenance from those responsible.

Cyclists using footpaths - unfortunately local walker had a fall on Loompit Lake Causeway due to element of surprise from cyclist speeding by past them without warning and obviously to aftermath.

HIGHWAYS

Motor bikes - bank holiday seemed to be a cue to ride as fast as possible up/down High Road.

General speeding continues to be an issue.

MEMORIAL HALL

Refurbishment of floor completed and certainly worth doing

Incident at hall - reported to CPO Ell who, from description given, that she already has this individual on her radar.

To have someone wander into a meeting, although non violent their whole demeanour was very unsettling to those present. Recommended to lock entrance door 15 mins after start of meeting.

Cllr Rastrick to report at next ASB

Trimley Saints Players latest show is a comedy by Alan Ayckbourn

'Confusions' from Wednesday 17th to Saturday 20th June 7.30pm
