7. To consider the arrangements for future meetings of the Planning Committee

The Committee considers planning applications where the deadline for comment precludes consideration by the full council. The Committee resolved that they would meet to consider all applications of a significant or contentious nature which, for reasons of timing, could not be considered by the full Council. The Committee would not meet to discuss applications identified as being of a minor, uncontentious nature. No observations would be offered to the Planning Authority on any application which had not been discussed in either forum.
